Ladies and gentlemen, children young and old! It's time for another fantastic Roden production! Staff and students have been working hard to polish up their performances for Roden's **Spring Concert** on Thursday, June 4, 2015 at 7:00pm.

The 2015 concert promises a combination of vocal and instrumental performances by most of our students in Grades JK to 8. In order to make this event run smoothly, we ask only a few things from you, our supportive parent community...

Firstly, we ask that those attending **please be respectful of our performers**, and keep your children with you in the audience. Secondly, we request that you **stay for the entire performance**. Your child, if he or she is performing, will be fully supervised by a teacher in a waiting area. Please do not leave the performance to pick up your child, rather, come to the area after the evening's performance is finished. Thirdly, we ask that your child return this permission form to his/her classroom teacher if he/she is performing.

Here is a list of performing groups, waiting areas, and drop-off times.

Kindergartens meet in Areas 12 & 14 at 6:45pm

Roden Strings meet in the Library at 6:45pm

Roden Band meets in the Library at 6:45pm

Ukelele Club meets in the Library at 6:45pm

Steel Band meets in the Music Room at 6:45pm

All classes from Gr. 1-6 meet in their classrooms at 6:45pm

Hope to see you there!
Mr. Parker, Music Teacher
